Clayton, Missouri 63105

Attention: Mr. David G. Hankins

Subject: New Change House & Locker Room
St. Louis Ship

Dear David:

In these days of material shortages and frequent delays it is gratifying to have our new building completed on schedule.

We are pleased with our new facility and with your cooperation in coordinating the building process to least interfere with the operations of our plant.

Best wishes for continued success.

Yours very truly,

ST. LOUIS SHIP

A. Zang
