Attention: Mr. Wade Hankins

Dear Mr. Hankins:

Enclosed is our check in the amount of \$6,404.00 as payment Number 12 and final payment for the contract for the remodeling of the Red Cross building at 4050 Lindell Boulevard, St. Louis, Missouri.

We are very satisfied with the finished product and the quality of the work provided by your company. We have had many favorable comments from members of the Board of Directors, staff and visitors to the building. Professional people from other parts of the country have rated the laboratory and other Blood Program facilities as the finest in the country.

We want to mention Mr. Ken Escott and Mr. Rich Egelhoff of your staff. Both of these gentlemen were particularly cooperative and helpful. Their advice and guidance during the construction period were invaluable to us.

Thank you for a job well done.

Sincerely,

Marvin Teeter
Manager
